CREATIVE DESIGN WORKSHOP

In this two day workshop I will demonstrate and teach how to develop a small idea into an abstract quilt. Along the way I will teach the techniques I use for freehand piecing, working with bias tape, and creating memorable compositions. Under my instructions, students will develop their own designs and get them to a point where they can be completed.

SUPPLIES

This is primarily a machine class but some hand sewing may be required.
You will need standard machine sewing equipment:
Extension cord, pins and etc.
Rotary cutter, mat and rulers
Scissors
  #12 Sharp needles for applique
Bias tape and matching thread (3 packs)

Digital camera (or phone)
At least six yards of fabric, including fabrics that contrast strongly,
