FABRIC NECKLACE

Directions by, Jeri McKay

MATERIALS

Cording, yarn, silks, thin fabric for chain

Small pieces of distinctive fabric

Embellishments, buttons, beads etc.

Measure length of cord you want (I like 34")

Sew multiple bits and pieces to make the neck chain.

Cut decorative focal fabric either in a square or rectangle approximately 3 1/2 inches. I like to make them into little pockets to tuck in money or a rectangle to slide hold reading glasses.

Sew the neck card to your decorative pieces and add embellishments.
